

**REMARKS**

This Amendment is submitted in response to the official action dated June 11, 2009. Claims 1-18 were pending in the application. In the official action, claims 1-18 were rejected. In this Amendment, claims 1, 8, 9, and 16-18 were amended. Claims 1-18 thus remain for consideration.

Applicants submit that claims 1-18 are in condition for allowance and request withdrawal of the rejections in light of the following remarks.

**§102 and §103 Rejections**

Claims 1-5, 8-13, and 16-18 were rejected under 35 U.S.C. §102(e) as being anticipated by Sun et al. (U.S. Patent Publication No. 2004/0145602).

Claims 6, 7, 14, and 15 were rejected under 35 U.S.C. §103(a) as being unpatentable over Sun in view of Niikawa (U.S. Patent No. 6,757,479).

Applicants submit that the independent claims (claims 1, 8, 9, and 16-18) are patentable over Sun and Niikawa (collectively "the cited references").

Applicants' invention as recited in independent claim 1 is directed toward an information processing device. The claim recites that "the device stores an original recorded file flag for each file stored in the device, the original recorded file flag indicating whether the file was created by the device or was obtained from a source external to the device." Supporting disclosure for the quoted recitation, and a discussion of its advantages, can be found in the specification at, for example, page 30, line 14 - page 34, line 7. Claims 8, 9, and 16-18 include similar recitations.

Neither of the cited references discloses the quoted recitation. Accordingly, Applicants submit that the independent claims are patentable over the cited references - taken either individually or in combination - on at least this basis.

Further, since dependent claims inherit the limitations of their respective base claims, Applicants believe that dependent claims 2-7 and 10-15 are patentable over the cited references for at least the same reasons discussed in connection with the independent claims.

Applicants respectfully submit that all of the claims now pending in the application are in condition for allowance, which action is earnestly solicited. If any issues remain, or if the Examiner has any further suggestions, he/she is invited to telephone the undersigned at (908) 654-5000.

The Examiner is hereby authorized to charge any insufficient fees or credit any overpayment associated with the above-identified application to Deposit Account No. 12-1095.

The Examiner's consideration of this matter is gratefully acknowledged.

Dated: September 11, 2009

Respectfully submitted,
